

DETAILS OF THE EVENT

STaRT Times Family Quiz is a nation-wide platform for identifying the overall talent in the student and ensuring that the parent also becomes an equal partner in the development of their ward.

The Times of India has partnered with Resonance Eduventures Ltd. for this initiative which will be held across 2000 schools in over 101 cities of the country.

Qualifier Round

First level quiz in form of a written test that happens in the school with students of Class 6th till Class 12th. We register the kids in school and then take this engagement ON-LINE where one of the parent is also actively involved as a team with the student.

Registration of interested students to take the STaRT (Student Talent Reward Test) begins simultaneously. This test gets conducted between September & October months and enables the student to test his/ her academic proficiency. This is the 8th consecutive year of this National Level Talent Exam which is conducted by Resonance Eduventures Ltd. every year

STaRT Round

STaRT Times Family Quiz Round

Once the results of the first two stages are compiled the shortlisted teams (student and parent) are invited to compete in a live Quiz game in the Regional Round.

The final felicitation programme will recognise the winning students along with their family members in a grand ceremony that will be held across at the zonal head quarters.

Zonal Felicitation Round

The superlative performers will earn a grand exclusive five-day trip to NASA.
